

Family Criss Cross

Issue 326

Welcome!

A very hearty welcome to this new edition of *Family Criss Cross* magazine! Inside, you'll find lots of criss cross-based fun to challenge and entertain you.

Standard criss crosses are easy to solve – the words are listed according to their number of letters to help you, and you'll need to look at how the words cross in the grid to work out where the answers go. In each case, there's only one way to do it!

But there's wonderful variety here – chance your arm at 'Clued up', which incorporates a crossword element, and our 'Numbercross' puzzles. We hope you sparkle with our 'Diamond Wordfit' too. Do let us know what you think via the contact details on this page.

We have a super £2,500 cash competition too – see puzzle number 10 for how to enter.

Until the next issue, happy criss crossing!
